

Supporting Neurodiverse Learners

Webinar Series

In this webinar series, participants will develop a more thorough understanding of neurodiversity. They will increase their awareness of what ADHD, ASD, and 2E may look like in their classrooms, and will leave each webinar with strategies they can implement immediately to help meet the needs of their students.

Webinar Topics:

1

Understanding
Neurodivergence

2

ADHD

3

ASD - the Autism
Spectrum

4

Twice-Exceptional
(2E)/High Achieving
Learners

5

Behavior Disorders: EBD,
ODD, Regulation

Additional Information:

- Webinars will be recorded and available to the school for up to one year
- For each webinar watched, participants will earn 1 CEU, up to 5 total

Participants

The series is open and applicable to all educators and administrators working in grades PK-12

Schedule

All webinars will be scheduled at the convenience of the school.

Investment

\$5,000: Up to 100 participants
\$7,500: 100+ participants
